**COUNCIL WORKSHOP
AGENDA ITEM COVER SHEET**

TO: FRUITA CITY COUNCIL AND MAYOR

FROM: DEB WOODS, DEPUTY CITY CLERK

DATE: SEPTEMBER 24, 2024

AGENDA TEXT: PROCLAMATION REQUEST – PROCLAIMING NOVEMBER 2024 AS “LUNG CANCER AWARENESS MONTH” IN THE CITY OF FRUITA TO BE VIRTUALLY ACCEPTED MOHAMMAD MOHSENI WITH THE AMERICAN LUNG CANCER SCREENING INITIATIVE

PURPOSE

This is an opportunity for the City Council and Mayor to review a Proclamation request submitted by Mohammad Mohseni with the American Lung Cancer Screening Initiative for the issuance of a “November 2025 as Lung Cancer Awareness Month” Proclamation at the November 5, 2024 Regular City Council meeting.

In addition, staff would like direction from the Council regarding whether they would like to add this Proclamation to the list of preapproved Proclamations as it was not placed on the list of annual preapproved Proclamations.

BACKGROUND

On September 3, 2024, the Fruita City Clerk’s Office received notice that a Proclamation request had been submitted by Mohammad Mohseni for November 2025 as “Lung Cancer Awareness Month” in the City of Fruita. If approved, the Proclamation will be placed on the Regular City Council Meeting agenda for November 5, 2024. Mr. Mohseni has requested that he attend the meeting virtually to “accept” the Proclamation because he is not currently in Colorado. The original signed Proclamation will be mailed to him after the Council meeting.

At the January 17, 2023 Regular City Council Meeting during Council Reports and Actions, Mayor Kincaid and the Fruita City Council established an annual list of preapproved Proclamations instead of approving them one at a time at workshop meetings.

In addition, staff is requesting direction from the City Council as to whether they would like the “November as Lung Cancer Awareness” Proclamation to be included on the list of annual, preapproved Proclamations.
