Re: Radiation Oncology Fundraising Event / Special Event Permit

The radiation oncology department of Community Hospital is planning to hold a fundraising event at Reed Park on October 8, 2022. Tickets will be sold prior to the event and we are hoping around 150 to 200 will attend "Corn Hole for Cancer" and the beer garden. Set-up will be at 1:30 p.m. and the park will be cleaned up by 8:00 p.m. Our plan is to set-up 15 corn hole boards/sets on the south end of Reed Park between the horseshoe pits and the pickle ball courts. The beer garden will be set up under the gazebo. We will be using the fencing that is provided by the Parks and Recreation Department from the City of Fruita to enclose the entire event. There will be one entrance/exit as well as two emergency exits and these will be marked as such. There will always be a volunteer, who is 21 years-of-age, present to ID and wrist-band those who are 21-years-of-age. This person/s will also ensure no alcohol will leave the designated area upon exiting and a sign will be posted at the exit stating "No Alcohol Past this Point". Alcohol percent greater than 3.2 will be served. Only cans (no glass containers) will be served to those with wrist-bands. Tickets will be sold and those serving the alcohol will not be exchanging any money.

Prior to the event there will be meeting/training with all volunteers to go over the event duties and responsibilities each will have.

As per my previous meeting with the parks and recreation personnel for the same event over the past years, we will not be needing any additional paid security and there will be no other police presence due to the fact that the event will be entirely contained within Reed Park.

There will be many volunteers present at the event and will always be cleaning within and outside of the designated event area. There will be trash receptacles and recycle bins throughout the event area, as seen on the map.

There will be two food trucks during the event and will be parked on the south end of the park just south of the pickle ball courts. The trucks will have the proper licensing to work within the City of Fruita.

If there any further questions or concerns, please let me know so I am able to remedy the situation as soon as possible. Thank you for this opportunity to raise money for those in and outside our community that need extra help with transportation to receive their cancer care.

Sincerely,  
Margaret H. Strommenger R.T. (R)(T)

**Re:** 2022 Community Hospital Cornhole Special Event Liquor Permit

The application and narrative have been reviewed. There is nothing which would prohibit the issuance of the license requested.

The licensee needs to be aware they are solely responsible for control of the licensed premises in regard to alcohol possession, consumption and adherence to state and municipal laws.
