

REQUESTING A PROCLAMATION: GUIDELINES & PROCEDURES

GUIDELINES:

The Fruita City Council presents proclamations at regular session City Council meetings on the first and third Tuesday of each month. Generally, they are issued to increase awareness of a cause, person, group, issue, or achievement within the City of Fruita that are in line with the community's vision and values. The Fruita City Council makes the final decision on whether a proclamation will be issued or not and reserves the right to edit any drafted material for final wording.

Proclamations will NOT be issued for:

- Campaigns or events contrary to City policies, vision or values.
- Matters of political, ideological, or religious controversy or individual conviction.
- Pending ballot or legislative issues.
- An advertisement, endorsement, or commercial promotion.
- Multiple proclamations for similar subject matter (for example, "Month of the Young Child" and "Child Abuse Prevention Month"). It is preferred that these be consolidated.
- Multiple proclamations from the same organization. It is preferred that these be consolidated.

Additional guidelines:

- Proclamation requests must be submitted at least 30 days in writing before the date the proclamation would be read at a City Council meeting.
- The requestor shall provide the language for the requested proclamation. Any draft language is subject to edits and revisions by the City without notice.
- The draft language must fit on one page.
- Annual proclamations will not be automatically renewed. Requests must be made on an annual basis.
- It is preferred that a representative be available to attend the Council meeting to accept the proclamation and provide a few brief remarks about the subject of the proclamation.
- Proclamations are granted on a first-come, first serve basis. Because there is a limit to the number of proclamations presented during City Council meetings, the sooner a proper request for a proclamation is made, the more likely it will be presented at the meeting requested. If there are three (3) proclamations already on an agenda, your requested proclamation may have to be postponed until another date.
- Proclamations should promote the community values, goals, strategic plan and operating principles of the City of Fruita.

- The Fruita City Council reserves the right to deny any proclamation request where the criteria are not met and to edit any drafted material for final wording.
