AGENDA TEXT: LIQUOR LICENSE RENEWAL – A request to approve the renewal of a Fermented Malt Beverage (FMB) (Off-Premise) liquor license for Maverik, Inc. #400 located at 1103 E. Highway 6 & 50

BACKGROUND

The Fermented Malt Beverage (FMB) (Off-Premises) Liquor License for Maverik Inc. #400 located at 1103 E. Highway 6 & 50 is up for renewal. Their current license expires on **April 7, 2023**. The City Clerk's office has not been advised of any issues or concerns related to the liquor license during the past year. The Police Department report indicates that there have not been any violations or incidents reported to them in the last year and there is nothing unusual or of concern that would hinder renewal of the license. There are no TIPS certificates on file at the City Clerk's Office.

The following information is provided as background on the liquor license renewal process:

Pursuant to State Statutes, the local licensing authority (City Council) may cause a hearing on the application for renewal to be held. No renewal hearing shall be held until a notice of hearing has been conspicuously posted on the licensed premises for a period of ten days and notice of the hearing has been provided the applicant at least ten days prior to the hearing. The licensing authority may refuse to renew any license for good cause, subject to judicial review.

This item is placed on the Consent agenda for the Council to determine if there is any cause for a hearing to be held on the renewal of the liquor license. If there is no cause for a hearing, the City Council should approve the renewal of the existing license. If there is cause for a hearing, the City Council should set a date to hold a quasi-judicial hearing to determine if there are sufficient grounds for suspension or revocation of the liquor license. The City Council may also temporarily suspend any license, without notice, pending any prosecution, investigation or public hearing. No such suspension shall be for a period of more than 15 days.

FISCAL IMPACT

None.
