AGENDA TEXT: Boards and Commissions Assignments of City Council members

BACKGROUND

Appointments of City Council liaisons to various Boards and Commissions are made shortly following the regular Municipal Election held every two years in order to establish an appropriate line of communication between the City Council and respective advisory Boards and Commissions.

With the resignation of Councilor Andrea Downs, a few Council members volunteered to temporarily stand in for her on the Boards/Commissions to which she had been appointed. On May 6, 2025, Amanda Quigley was appointed to the City Council to fulfill the vacancy left by Councilor Downs until the April 2026 Regular Municipal Election.

This is an opportunity for Council members to review and discuss the appointments to determine which boards may be amenable to Councilor Quigley and on which boards the other Council members would like to continue to serve.

Attached is a list of the various boards and commissions that have a City Council liaison/representative.
