Subject: Prop 123 technical assistance (confirmation of sign-up)

Thank you for signing up for the technical assistance offered by DOLA on Prop 123 baselines and commitments. Your request has been received and staff will be in touch soon to confirm next steps. This technical assistance program is scheduled to begin in mid-July and DOLA staff will be working on scheduling between now and then.

In the meantime, please note that the Division of Housing launched the **commitment filing process** on May 10, which includes an **interactive baseline assistance tool** to help a local government first establish its baseline of affordable housing.

We encourage you to visit these sites and begin exploring the baseline assistance tool. The commitment filing site provides a description of the filing process and you can create an account even if you're not ready to complete your filing.

Other helpful resources are available at [DOLA's interactive Prop 123 site](#) where you can [view recorded webinars](#), see [Frequently Asked Questions](#), and [submit your own questions](#) about commitments and baselines.

Housing Colorado, Colorado Department of Local Affairs (DOLA) and Colorado Housing and Finance Authority (CHFA) are pleased to host six statewide Outreach and Engagement Forums. Registrants will be sent a legislative overview with your registration confirmation prepared by Housing Colorado to prepare you for discussions. During the program, participants will hear from each agency on policies, programs and recent housing-related legislation, with particular focus on the impacts of Proposition 123. Additionally, through facilitated discussions, participants will provide perspective and opinions on how existing programs are working, where additional support could be most useful and effective, and the resource, research, and technical assistance needs of their communities. These are free events, open to the public. Lunch will be provided.
