RE: NEW LIQUOR LICENSE APPLICATION - A REQUEST TO APPROVE A NEW HOTEL & RESTAURANT – MALT, VINOUS AND SPIRITUOUS LIQUOR LICENSE AND SIDEWALK RESTAURANT PERMIT APPLICATION FOR MIKE’S FAMOUS CHICKEN, LLC DBA MIKE’S FAMOUS CHICKEN LOCATED AT 233 E. ASPEN AVENUE

BACKGROUND

Mike’s Famous Chicken, LLC dba Mike’s Famous Chicken has submitted an application and all of the necessary paperwork and fees to be granted a Hotel & Restaurant Liquor License at 233 E. Aspen Avenue. The applicant has requested that the Colorado Liquor Enforcement Division (state licensing authority) conduct a concurrent review of the application, which means that the state licensing authority began its approval process while the local authority was still conducting its own.

Mike’s Famous Chicken has also submitted the application form and fee to be granted a Sidewalk Restaurant Permit with the City of Fruita under Fruita Municipal Code Chapter 12.14.

Background checks were conducted with the Colorado Bureau of Investigation, Mesa County Sheriff’s Department, and Police Departments from the Cities of Grand Junction, Fruita, Canal Fulton (OH) and Lawrence Township (OH) Police Department. None of these law enforcement agencies found anything of concern that would hinder the issuance of the license. The Colorado Liquor License Application, Preliminary Findings Report and diagram are attached hereto.

The following is a list of questions and guidelines to aid the Council in the decision-making process to determine if the liquor license should be approved. These guidelines are from Colorado State Statutes.

Regulation 47-324. Concurrent Application Review.

- A. A local licensing authority, or a license applicant with local authority approval, can request that the state licensing authority conduct a concurrent review of a new license application prior to the local licensing authority's final approval of the license application. Local licensing authorities who permit a concurrent review will continue to independently review the applicant's license application for the purpose of establishing the reasonable requirements of the neighborhood, the suitability of the character, record and reputation of the applicant and its principals, the fitness of the applicant's premises for occupancy in compliance with the provisions of Articles 46 and Article 47 of Title 12 C.R.S., and any other provisions required for local authority determination as provided for in these articles.

- B. When conducting a concurrent application review, the state licensing authority will advise the local licensing authority of any items that it finds that could result in the denial of the license application. Upon correction of the noted discrepancies, the state licensing authority will notify the local licensing authority of its conditional approval of the license application subject to the final approval by the local licensing authority. The state licensing authority will then issue the applicant's state liquor license upon receiving evidence of final approval by the local licensing authority.
- C. All applications submitted for concurrent review must be accompanied by all applicable state license and application fees. Any applications that are later denied or withdrawn will allow for a refund of license fees only. All application fees provided by an applicant shall be retained by the respective licensing authority.
