

GARDEN CITY POLICE DEPARTMENT

To: GC Admin and Trustees, Town of Garden City
From: Chief J. Black, Garden City Police Department
Date: Liquor License Renewal Application, Empire State Pizza
Attached: List of Officer Incidents at Address 2700 8th Ave

Garden City Police Department responded to ten (10) calls for service in the last year at Empire State Pizza. None of these calls were liquor related. There were two burglar alarms which are well below the town average for businesses. Staff at this location are very helpful when engaging with our staff and there are no call related issues to report.

General cleanliness issues were noted with the tap sink and the walk-in where the kegs were located. The liquor license for the town was also improperly displayed and expired. A re-inspection is required for the business.

The Garden City Police Department does not object to the request for renewal of the liquor license for this establishment once a re-inspection is completed and the issues are addressed.

Respectfully,

Jeremy Black GC501
