

The grant that I presented to everyone on 8/29 is not included in the paving budget of \$306,131.00, ($\$178,000.00 + 45,000.00 + 83,131.00$). The town was awarded a grant of \$75,620.00, which Todd will be going over with Lori and myself to submit for payment. This was not noted in the budget.
