

Public Works

1. Beach has been winterized, Dock removed, Stairs up
2. Getting Trucks finalized with plows and such for winter
3. Ken Mink is asking to take a tree down on the Russel Green property. Is this allowed?
4. Plow truck has been ordered
5. Lots of trash being dumped on the roadsides. Tires, pick up camper, etc.
6. Working on Capital and regular budget
7. October 28th is National First responders' day with it being a weeklong event. Public works are considered a First Responder. This should be noted and acknowledged for the hard work that is given and the long hours needed to work in very serious weather. Also, about our Firefighters and First response Georgia has.
8. Signing of the grant paperwork by Cheryl so we can get reimbursed for expenses. MRGP and V-Trans grants
