Dear Members of the Georgia Select Board,

On behalf of Scouts BSA Troop 42, I am writing to request a waiver of fees for the use of the Community Room on Sunday evenings. Our troop is seeking a consistent space for weekly meetings where scouts can build leadership skills, participate in educational activities, and strengthen community connections.

Troop 42 is dedicated to service and youth development, and your support in waiving these fees would directly benefit the families and young people of Georgia. We appreciate your consideration and would be happy to complete any forms or agreements required.

Thank you for your time and continued support of local youth organizations.

Respectfully,

Heather Grimm  
Scoutmaster
