You don't often get email from jchampagne@maplerun.org. [Learn why this is important](#)

Good Afternoon Mr. Bergstrom,

I'm writing on behalf of Northwest Career and Technical Center Instructors in St. Albans. We're looking to reserve Georgia Beach for our annual Community Service and Field Days activity on Wednesday, May 20th (rain date of May 27th), and are requesting that you, and the Select Board consider waiving the \$500 fee. As an Educational Institution, this activity allows our students to benefit the community through completing various community service activities, as well as Teach our students the benefit of giving back. We culminate our day by meeting at the beach for lunch, games and ice cream to celebrate all of the hard work we did! We would need access to the restroom facilities as well as the pavillion and game fields during this time.

If there are community service opportunities that we could help with on that day, please don't hesitate to let me know.

We look forward to hearing from you.

Kind Regards,
Jenn Champagne
