Message:

Dear Ms. Katon,

I am writing to formally express my interest in filling the vacant seat on the Georgia Select Board which opened as Paul Jansen has moved to New York before the end of his term. I am interested in filling his seat until the next election in March of 2026.

I have lived in the town of Georgia since 1991 and currently reside at 302 Ledge Hill Drive with my husband, Joseph Nasca. I have more time available now that I am retired from teaching at Albany College of Pharmacy's Colchester campus. We also sold the pediatric practice last year to Dr. Mike Visker, a business I helped run for 18 years.

I currently volunteer at Northwestern Medical Center, serve as recording secretary for the NMC Auxiliary and on the NMC Board of Incorporators. I am active in various community events through Ascension Parish.

In the past I served as a trustee for the Georgia Library and on the Franklin County Home Health board.

As a member of our community, I am eager to contribute my skills and experience to support the town's success.

I am happy to discuss the opening and answer any questions you may have.

Sincerely,

Judy Nasca
