Dear Selectboard Members.

The Fairfax Cemetery Commission has purchased and installed signs for all our town cemeteries.

We purchased one for our shared cemetery, Kingsbury/Hibbard at the corner of Oakland Station Rd and Route 104.

We would like to ask you to share the expense of this one.

The total price of the sign was \$497.14 and half of it would be \$ 248.57.

I am attaching a couple of pictures so you can see the sign.

Thank you for considering this shared expense.

Sally Sweet
