
Fw: FOR SALE - Town of Williston - 2 single axle dump trucks

From Georgia Public Works <publicworks@townofgeorgia.com>

Date Thu 10/22/2026 10:09 AM

To Georgia Zoning <zoning@townofgeorgia.com>

Here is the listing for the trucks Williston has for sale. They are on a 7 year rotation but got stuck in the same situation as us for having a plow truck built. I went and looked at them and like the one with the straight blade plow. It has had \$40k in repairs in the last 18 months. \$30k for emissions that is common for the newer trucks. We can make an offer. I'm thinking \$55k. This would offset our aging truck that was purchased used from colchester back in 2020. We feel we could get 10-20k for ours. Currently the truck we have is scheduled to be replaced in 2030 with new. This would gain us some time and possibly funding for a few extra years. We have purchased multiple trucks from Williston over the years with good luck.

Subject: FOR SALE - Town of Williston - 2 single axle dump trucks

Trucks for Sale

The Town of Williston has 2 single axle 7-yard dump trucks, model year 2017, available for sale. Both Trucks are International 7400s with 10-foot side dump bodies, liquid tank mounted behind the cab, Cirus Spreadsmart RX, 11-foot front plow and 9-foot wing. One truck is equipped with an all-angle front plow while the other has a fixed plow. We are asking \$60,000 for each of these trucks. Please call Carl von Stritzky, Highway Supervisor at 802.373.6003 if you are interested or have more questions.
