State support that is usually at no cost to the municipality:		

- Vermont Hazardous Material (HAZMAT) Response Team (VHMRT), • Vermont Urban Search and Rescue (USAR, VT-TF1), • Vermont State Police and Special Teams • Swiftwater Rescue Teams • Regional Shelter Support • State government agency expertise / services
 - Federal response agency expertise
- State supports the municipality will normally eventually have to pay for:
- Supplies and equipment (including sandbags); • VTrans Equipment and Personnel • Vermont National Guard Support

The State Emergency Operations Center (SEOC, 800-347-0488) will help coordinate any state support teams or other external resources that local responders may need.

NIMS Adoption Document for
Town of Georgia

DESIGNATION OF THE NATIONAL INCIDENT MANAGEMENT SYSTEM (NIMS) AS
THE BASIS FOR ALL INCIDENT MANAGEMENT IN THE TOWN OF GEORGIA

WHEREAS, the President in Homeland Security Directive (HSPD)-5, directed the Secretary of the Department of Homeland Security to develop and administer a National Incident Management System (NIMS), which would provide a consistent nationwide approach for Federal, State, local, and tribal governments to work together more effectively and efficiently to prevent, prepare for, respond to and recover from domestic incidents, regardless of cause, size or complexity;

WHEREAS, the collective input and guidance from all Federal, State, local, and tribal homeland security partners has been, and will continue to be, vital to the development, effective implementation and utilization of a comprehensive NIMS;

WHEREAS, it is necessary and desirable that all Federal, State, local and tribal emergency agencies and personnel coordinate their efforts to effectively and efficiently provide the highest levels of incident management;

WHEREAS, to facilitate the most efficient and effective incident management it is critical that Federal, State, local, and tribal organizations utilize standardized terminology, standardized organizational structures, interoperable communications, consolidated action plans, unified command structures, uniform personnel qualification standards, uniform standards for planning, training, and exercising, comprehensive resource management, and designated incident facilities during emergencies or disasters;

WHEREAS, the NIMS standardized procedures for managing personnel, communications, facilities and resources will improve the Town of Georgia's ability to utilize federal funding to enhance local and state agency readiness, maintain first responder safety, and streamline incident management processes.

WHEREAS, the Incident Command System components of NIMS are already an integral part of various incident management activities throughout the State, including current emergency management training programs; and

WHEREAS, the National Commission on Terrorist Attacks (9-11 Commission) recommended adoption of a standardized Incident Command System;

NOW, THEREFORE, I, The Selectboard of The Town of Georgia, by the virtue of the authority vested in me by the Constitution and Laws of the Town of Georgia Selectboard, do hereby establish the National Incident Management System (NIMS) as the Town of Georgia's standard for incident management.

GIVEN under my hand and the Privy Seal of The Town of Georgia this 13 day of June in the year Two Thousand and ~~Nine~~ Eleven.
