Dear Selectboard Members,

I am writing on behalf of Georgia's Scouting America Troop, Troop 42, as I have recently stepped into the role of Scoutmaster.

Last year, the Town graciously allowed Troop 42 to utilize the meeting room at the Fire Station for our weekly Sunday evening meetings (6:00 PM – 7:30 PM) with a waiver of the facility fee. As we prepare for the upcoming Scouting year, we are hopeful the Selectboard will consider extending that generosity to support our local youth programs.

In return, I would like to offer myself as a point of contact for any opportunities for the Troop to support the Town. If there are service projects, event support, or conservation efforts throughout the year where our Scouts can lend a hand, please let me know.

Thank you for your continued support of Troop 42 and our community's youth.

Sincerely,

Nate Couture

Scoutmaster, Troop 42
