◆ AI Overview

[Biblio+](#) is a free, ad-free video streaming service designed specifically for library patrons . It partners with public libraries to provide communities with unlimited, unrestricted access to a highly curated catalog of groundbreaking films, television series, and documentaries—all you need is a valid library card.  Biblio+ +1

Key Features of Biblio+

- **Unlimited Access:** There are no monthly viewing limits, loan periods, or waitlists. You can watch as much content as you want.  Kellogg-Hubbard Library +4
- **100% Ad-Free:** Enjoy uninterrupted viewing of films and TV shows.  Biblio+ +1
- **Curated Catalog:** Focuses on award-winning cinema, thoughtfully curated documentaries, foreign films, BBC series, and independent discoveries.  Biblio+ +1
- **Cross-Device Compatibility:** Stream directly through your web browser or download the app on your Apple, Android, Amazon Fire TV, Roku, or Google TV devices.  Biblio+ +1

How to Get Started

1. **Sign Up:** Visit Biblio+ or download the app and select your local library from the list.
2. **Register:** Enter your valid library card number and create an account with your email and password.
3. **Verify:** To maintain library patron access, the platform prompts you to re-authenticate with your library credentials roughly every six months.  Biblio+ +3

Would you like help finding out if your local library supports Biblio+, or are you looking for recommendations on what to watch first? Let me know!
