Dear Georgia Select Board Members,

I'm writing on behalf of Girl Scout Troop 61489 to respectfully request consideration of a waiver of the \$200 rental fee for the Georgia Beach Pavilion for an upcoming troop event.

Girl Scout Troop 61489 operates under the nonprofit umbrella of the Girl Scouts of the Green and White Mountains (EIN: 02-0243160). Our troop is led by Georgia moms and serves a large number of local families. Of the 36 girls currently in our troop, 29 are Georgia residents.

We are hoping to use the pavilion for our annual Girl Scout Year Kickoff and Parent Meeting. This event helps bring together scouts and families at the start of the year to build community, share plans and opportunities for the coming year, and welcome both returning and new families into the troop. It serves as an important gathering that supports youth leadership, friendship, and family engagement.

Because the vast majority of our troop members are Georgia families and the event directly serves local children and community members, we hope the Select Board might consider waiving the rental fee as a way of supporting a local youth program that benefits Georgia residents.

We appreciate your consideration and all that you do for our community. Please let me know if any additional information would be helpful.

Thank you,

Brittany Blaisdell
