**RE:** April Monthly Reporting

---

### **April Notes:**

This month we committed 81.5 hours of service and logged a total of 44 incidents. As anticipated, with the improving weather, motor vehicle related issues are on the rise. In April we conducted 31 traffic stops resulting in the issuance of 23 warnings and 16 tickets.

We also made multiple arrests resulting in 8 arrest charges (6 of which stemmed from the same incident).

Drug issues and crimes against property remain low.

### **Forward Looking:**

With the improving weather we expect to see an increase in motor vehicle related issues and will respond accordingly. We continue to diversify our coverage to ensure the maximum benefit of our police services. We will also continue to diversify the areas in which we patrol to ensure high visibility, particularly on the back roads.

04/12/26	Email	Cristy Monty	Hi- I was at a select board meeting and we were talking about the speeding on Georgia Shore Road. He mentioned if we got any license plate numbers he could look into talking to the driver. I was walking my dogs this afternoon ( Sunday) and a Jeep wrangler passed us going at least 55-60mph. When I signaled to slow down he sped up and I had to move off the road with my dogs into a ditch. The license plate is KYG 680. It was a white or light colored Jeep. Thank you for helping to keep the shore safe.	We identified the jeep in question and made contact with the operator – providing strict instruction on what is expected in terms of safe and reasonable operation. We also renewed our efforts to patrol Georgia Shor Road in this area.
04/29/26	Email	Gerry Charbonneau	Sorry to bother but haven't seen anyone patrolling our road lately and they are out on the four wheelers it 8:13 the just headed out on them must be at the Barrett's house . This is so frustrating especially when people have to work in the morning.	We have made multiple attempts to catch the folks Mr. Charbonneau is complaining about including conducting directed patrols in Decker Road.
