BACKGROUND:

Last year a Financial Opportunities Committee was formed to look at the General Fund financial shortfalls and what our options for a solution could be. The Committee consists of two City Commissioners, the Treasurer, City Manager and Public Safety Director. Like in all communities with 24/7 protection most of the taxes and revenue sharing were going to support the Public Safety Department. After researching this we decided on the Public Act 33 The Police & Fire Protection Act.

Estimates of the Assessed Costs which have been received by the City Commission and are on file with the City Clerk (see attached)
