Dear \_\_\_\_\_

*Kim, just for your info*  
*Eddy*

In light of vandalism and theft in Van Cleve Park this summer; at the harbor, Fit Trail and bathrooms, Gladstone Public Safety needs your help.

We want to develop a stronger community watch and reporting in the neighborhoods covering Lake Shore Drive and Minneapolis Avenue, specifically the residents overlooking Van Cleve Park and Mary's Beach (by Indian sculptures) by reporting any suspicious activity to Gladstone Public Safety at **906-428-4242**. Information helpful to public safety in these matters includes:

- A description of the suspicious event and location
- Time of day
- Description of vehicles involved (car, moped, bicycles)
- Description of person(s), number of people involved and dress

Gladstone Parks and Recreation Board and I ask you to report any suspicious activity to Gladstone Public Safety.. We will follow up. Your help with vigilance is key to curbing these destructive acts. Please call with information but do not attempt to stop theft or vandalism in progress.

Feel free to call me, Ron Robertson, at the phone number above with any questions you have regarding this letter. Your support will go a long way to protect the beauty and safety of our town. Thank you for your support!
