AGENDA ITEM TITLE:

DDA’s Community Foundation Grant Application Request

BACKGROUND:

The Community Foundation for Delta County is offering a \$2,000 grant to non-profits and government subdivisions. This funding would be applied toward purchasing and installing commercial-grade shade sails for the Farmers Market Square, addressing the ongoing issue of replacing pop-up canopies. A pricing request has been submitted to Tenshon, as costs vary based on product specifications. The DDA sees value in pursuing the exploration of the project regardless of the grant outcome, as it better positions this project for future funding opportunities.
