Staff Report

Agenda Item Title:

South Hill Road Project Professional Services

Background:

The City of Gladstone has a 2026 MDOT Small Urban Grant of \$385,000 for the paving of South Hill Road. We need to enlist a professional engineering service for design and construction oversight. We have worked with Colman Engineering Company quite extensively in the past and have a good working rapport. I am requesting entering into a contract with Colman Engineering Company to provide engineering services for the South Hill Road project.

Fiscal Effect:

\$28,000 in the 2025/2026 Budget

\$29,500 in the 2026/2027 Budget

\$57,500 Total
