Agenda Item Title:

Special Event Permit | Saunders Point Brewing “The Long Haul” Event

Background:

Saunders Point Brewing has submitted a request for the temporary closure of parking spaces along the west side of 10th Street adjacent to the brewery on Saturday, June 20, 2026, in conjunction with its Summer Solstice event, “The Long Haul.” The requested closure would occur from approximately 11:00 AM to 11:59 PM to accommodate outdoor seating and patron gathering space during anticipated increased downtown activity.

The applicant stated the request is intended to support pedestrian safety, ADA accessibility, and downtown activity within the Social District. Consistent with staff recommendations related to previous event requests, staff recommend closure of the full street segment from Delta Avenue to the adjacent alley to address pedestrian safety and traffic flow concerns. Staff have discussed coordination needs related to barricades and traffic flow. A copy of the request correspondence is attached for Commission review and consideration.

Fiscal Effect:

~\$75-\$100 in DPW Labor for Barricade Placement
