Dear [City Manager / DPW / Commission],  
 On behalf of Saunders Point Brewing, I am submitting a request for a temporary closure of the parking spaces located on the west side of 10th Street adjacent to the brewery on Saturday, June 20th, 2026, in conjunction with our Summer Solstice event, The Long Haul.  
 We are requesting that these spaces be closed from approximately 11:00 AM to 11:59 PM to allow for safe outdoor use of the area for guests.  
 This request is being made with a focus on public safety, accessibility, and downtown economic activity. The additional space would allow us to:

- Maintain clear pedestrian flow and ADA-compliant walkways
- Provide safe overflow space for patrons during a high-traffic event
- Reduce congestion inside the building by utilizing outdoor space effectively

Additionally, this request aligns with similar seasonal activity in the immediate area, including Dairy Flo's Summer Solstice event, and presents an opportunity to create a cohesive, walkable downtown experience. Given that this area operates within the Social District, guests are encouraged to visit multiple local businesses, supporting broader economic activity throughout the district.  
 Our goal is to create a safe, well-managed environment that benefits not only our business, but also neighboring establishments and the downtown community as a whole.  
 Event Details:

- Event Name: The Long Haul: Summer Solstice Party
- Date: Saturday, June 20, 2026
- Time: 12:00 PM – 12:00 AM
- Attendance: Estimated high volume throughout the day due to coordinated downtown activity
- Outdoor Setup: Tables/seating within closed parking area
- No generators or cooking equipment will be used

We are happy to coordinate with the City of Gladstone, including DPW and Public Safety, to ensure all requirements are met, including barricades, traffic considerations, and any additional permits or insurance documentation.  
 Thank you for your time and consideration. We appreciate the continued support in helping activate and grow our downtown community.  
 Sincerely,  
 Jake Mills
