

# History of DDA Board Decisions Related to Architecture & Engineering Fees (\$25,000)

1000 Delta Ave | Patrick Johnson

[Excerpt from Minutes] November 7, 2016

Pat Johnson is looking for funds for engineering costs (Engineer proposal packet reviewed) for renovations of the Rialto Center. He is proposing adding 3-4 new apartments upstairs and doing general remodeling of the commercial space as well as re purposing two of the commercial spaces on the ground floor. The engineering costs are a necessary part of the project for him to complete the project correctly as well as for any application to the state for grant assistance. If the city is successful in securing a rental rehab grant for this building it will open the doors for other buildings in the city for rental rehab in the downtown area.

**Motion by Mark Roxbury; seconded by Derby Chase to approve up to \$25,000 for engineering costs for the Rialto Center to Pat Johnson. If the rehabilitation project does not take place 100% of the DDA funds shall be paid back to the DDA. MOTION CARRIED**

Patrick Johnson reported that the Rialto Center retail space was now within one spot of being totally full and there are several options being investigated to fill that spot. He said that when the original \$25,000 Engineering Study was funded, the Rialto was anticipating an MEDC 75 percent funding and the remaining 25 percent by the Rialto's owners. Things changed at MEDC and Patrick reported that they were not able to come up with the cash needed to continue. Ron reported at over \$18,000 of the Engineering Study money was expended. Patrick Johnson committed to continue working to fill the building and improve cash flow and agreed to be responsible for the full Engineering monies if not brought to a conclusion.

City Manager Buckman said that a directory of business sign would be a good way to attract traffic. Patrick said that Delta Business Solutions next door had complete a tree trimming project that made the Rialto signage much more visible.

**Motion by Derby Chase; seconded by Jay Bostwick to review this project again in one year (October 2021). \*\*\*MOTION CARRIED UNANIMOUSLY\*\*\***

He said \$100,000 of personal funding is needed and reported that the sale of his former Chiropractic Office on Delta Avenue had added funding which will be used for this purpose.
