

NOTICE OF INTENT TO FILE APPLICATION FOR FEDERAL ASSISTANCE

The City of Gladstone intends to file an application for federal financial assistance with the U.S. Department of Agriculture, Rural Development, Rural Utilities Service. The project includes improvements to the water distribution system and water intake piping and crib assembly for the Water Treatment Plant. These updates include water mains, valves, intake pipe and crib assembly. The purpose of the project is to replace the old water intake and crib assembly as well as installing a new 12-inch water main feeding the water storage reservoir. The estimated cost of the project is \$7,927,050. The project is anticipated to be constructed in 2025. The application for federal assistance will be filed, within 60 days, with the U.S. Department of Agriculture, Rural Development office.
