SUMMARY:			
<p>The City Council needs to identify the scope of work to be included in its 2023/24 CDBG grant application. Previously, the Council seemed to be amenable to pursuing a street project in the area of the City commonly referred to a "Wolf City," but the boundary of the project wasn't identified. Working with Public Works Director Holder and Chris Hay of eHT, the attached map of a proposed project area is being provided for your consideration. Most of the engineering for the project area has already been done. To keep the project within the \$525,000 budget (\$500,000 in grant funds and \$25,000 in local matching funds), the project are might need to be reduced.</p>			
RECOMMENDED ACTION:			
<p>Move to approve pursuit of a \$525,000 CDBG street improvement project within the boundaries indicated on the map provided by eHT.</p>
