<b>SUMMARY:</b>	<p>One of the churches expressed concern about a very high water and sewer bill and thought there was a mistake. It turned out their high bill was due to increased use of their sprinkler system in response to this summer's heat and drought. Although the extra water they used didn't go into the sewer system, it was billed as though it did. See the attached discussion concerning this predicament.</p>		
<b>RECOMMENDED ACTION:</b>	<p>Adopt the Ordinance amending Section 13.03.104 of the City's Code of Ordinances.</p>
