<p>SUMMARY:: The city has a required buffer zone for the water waste treatment site on the Expo grounds. The 1.732 acres have been leased (licensed) to the county since 1992. This is land required for the buffer zone required by state law. We need to decide on a method that will allow for the use of the tract of land while maintaining ownership and the required buffer zone for the water waste treatment facility. In addition, introduction to the investment group seeking to acquire the expo.</p>
