BUDGETARY IMPACT:	Required Expenditure:		\$00.00
	Amount Budgeted:		\$00.00
	Appropriation Required:		\$00.00
CITY ADMINISTRATOR APPROVAL:			
SUMMARY:	<p>Mr. Miller initiated this process last year and had planned on having follow-up meetings with City staff and Council Members, but COVID 19 interrupted his plans. He is wanting to pick-up where he left off last year. Attached are some photos he has provided documenting light pollution within the City. He is in the process of having some light meters installed both in the City and in areas of Somervell County outside the City. Here are the minutes from last year's presentation: "City Administrator Leamons introduced Warren Lewis, Marketing Officer of Fossil Rim. He suggested that Russ Miller be designated to assist the City in pursuing the International Dark Sky Places designation. After discussion by Council they agreed that in order to look into this further there was no action needed. They directed staff to pursue the information at no cost to the City."</p>		
RECOMMENDED ACTION:
