I have many years' experiences in building, leading, and maintaining community, hospital and financial programs. I've directed several programs serving on the Board or working in partnership with the Financial Planning Association -- DFW and Lubbock, Veterans Resource Coordination Group --Lubbock, UMC Health System -- Lubbock and Medical City Fort Worth Auxiliary, Glen Rose Economic Development, Preservation Boards (President), and Comprehensive Advisory Committee, Glen Rose. My tenure as a Certified Financial Planner for Aspen Wealth Management has equipped me to work with diverse groups, bringing my expertise in financial planning to bear in establishing and maintaining our clients' personal financial lives. I know this experience and ability will be beneficial to the City Council in maintaining our established neighborhoods, landmarks, and businesses while assisting in building new ones. With our town growing, I appreciate the new energy growth brings and it also raises the value in maintaining our roots. I have a heart for service and want to bring my capacity for congenial and collaborative work together with the other members of the Council in watering, growing, and maintaining our Glen Rose roots!
