Subject: City Council

1. Per our discussion of a few days ago, I understand there is a vacancy on the City Council at this time. I would like to volunteer to fill this position with the consent of the current council members. As to my qualifications for this position, I would offer my earning an MPA a number of years ago and my serving as a member of the council for about a year starting about three years ago. In addition, I have prior military and government contractor service as well as many years of management experience in the private sector.

2. I understand the desire to fill the position as early as possible but I must inform you that I will be out of the state from August 7th to September 13th. During this period I would certainly be available to answer questions by phone with you and/or the mayor and council members.

3. I can only note what you all are thinking, that an appointment to fill the vacancy would preclude the cost of a special election. That said, I would appreciate your consideration of me as a candidate for the position.

Thank You,

  
Richard Vaughn
