Business Name: Somervell County Fire Department

Address: 111 Shepard St.

Issue: Parking on Shepard St.

---

City of Glen Rose - Code Enforcement Officer

The Fire Department is having a problem pulling out of the fire station onto Shepard St., due to vehicles parking on the east part of the street curb.

The Fire Department is requesting "No Parking" signs along the east part of the curb on the street from the 110 block of Shepard St. to Holden St. at the Stop sign, and one "No Parking" sign on west curb on the fire department property.

The Fire Marshal's Office talked to Glen Rose ISD on 8-26-2021 and they are onboard with the "No Parking" signs on Shepard St.

Respectfully

Bradley Smith

Fire Marshal
