| <p><b>SUMMARY:</b><br/>To simplify ordinances, we have made two minor changes to help better maintain accurate information within...</p> <ol style="list-style-type: none"> <li>1. Remove the actual amount of the Fee for Mobile Food Vendors in the actual ordinance and instead state the actual amount will be listed in the Appendix A Fee Schedule. In this way if the fee changes, it can be changed in one place and no updates have to be made to the actual ordinance.</li> <li>2. Add the following language: Mobile food vendor must comply with Chapter 228 of the Texas Administrative Code, and Rule 228.221 Mobile Food Units. This ensures that we are guiding potential vendors to the appropriate state laws without having to update the language in our ordinance if the state makes updates.</li> </ol> |  |                        |            |
