SUMMARY:	<p>The City has a Right-of-Way (ROW) Management Ordinance, but it was specifically designed to address telecom in the City’s right-of-ways. Building Official Reeves indicated they had a comprehensive ROW management ordinance in the City he previously worked for and that it was very helpful tool for tracking and regulating all construction activity in the City’s ROWs. Staff compared the City’s ROW Management Ordinance with that of League City and incorporated some features from the latter. The finished product has been reviewed and approved by the pertinent department heads and City Attorney Pendleton.</p>		
RECOMMENDED ACTION:	<p>Move to adopt the Ordinance as presented.</p>
