Re: Building Resilient Infrastructure and Communities (BRIC) Grant Program
Grand Prairie Flood Warning System Modernization & Expansion Project
Match Commitment

Dear Ms. Ellis,

On behalf of the City of Grand Prairie, Texas, I would like to submit this letter as a commitment and our full support for the Grand Prairie Flood Warning System Modernization & Expansion Project grant proposal under the Building Resilient Infrastructure and Communities (BRIC) Grant Program.

The City of Grand Prairie will meet the 25% fund matching requirements, up to \$125,000, as required for the BRIC Grant Program.

The Public Infrastructure Department will submit a capital improvement project to the City Council (the governing body for the City) for its consideration at the council meeting currently scheduled for July 21, 2026. The City's match will be covered by funds within the City's Stormwater Capital Improvement Project Fund.

Please do not hesitate to contact me at 972-237-8321 if you have questions about this letter.

Respectfully submitted,

A handwritten signature in blue ink, reading "Noreen Housewright".

Noreen Housewright, PE, CFM
Director, Public Infrastructure
