

CITY OF GRAND PRAIRIE

MEETING DATE: 10/11/2022

REQUESTER: Michaela Sandefer

PRESENTER: Michaela Sandefer, Assistant EMC

TITLE: Authorize the City Manager to execute an Interlocal Agreement with the City of Fort Worth to transfer grant funded equipment, 3D Focus Laser Scanner, to the City of Fort Worth on the condition that the City of Fort Worth comply with the laws, rules, and regulations of the grant, including compliance with all state and federal grant eligibility requirements

RECOMMENDED ACTION: Approve

ANALYSIS:

The City acquired grant funded equipment, 3D Focus Laser Scanner, utilizing an Urban Area Security Initiative (UASI) Grant. The City's needs are now being met with other available technology, and the equipment has no value to the City. The City of Fort Worth would benefit from the use of the equipment. The grant allows the City to transfer the equipment to the City of Fort Worth on the condition that Fort Worth certifies they will comply with the laws, rules, and regulations of the grant, including compliance with all state and federal grant eligibility requirements. The City of Fort Worth will certify their compliance and that they are duly authorized and empowered by their governing body to enter into this agreement with the City of Grand Prairie.

FINANCIAL CONSIDERATION:

None
