STAFF PRESENTATIONS

1. Review of Dino Fest, Dino Dash and Epic Central Spring Break

Library Director Peter Sime, Epic Central Manager Zane King and Epic Recreation Center Manager Chris Ginapp presented information on various events held for the families of all ages, noting 10,900 people attended. Mr. Ginapp advised the Dino Dash 5K and Fun Run sold out with 200 attendees and a timed organizer was utilized. Mr. King thanked the council for their support and advised every restaurant had record breaking sales for the three weeks, with hotels at full capacity during spring break, and noted this is the largest event held there to date with 158,000 total guests for Dinofest and 264,400 guests during spring break. Mr. King thanked Deputy City Manager Megan Mahan for the idea. Mayor Jensen noted traffic was well contained.

PRESENTED

2. Utility Customer Service Replacement Project - System demonstration of new Customer Service Portal

Engineering and Utilities Director Noreen Housewright introduced Utility Operations Superintendent Tonja Woody who showed a demo video on how to access the new water customer service portal, noting it would go live on June 16th. She advised the video would be shared with all residents and business customers. Deputy Mayor Pro Tem Ezeonu asked if a customer is paperless, could the customer still receive The Pipeline Newsletter. Ms. Woody confirmed, noting the customers would have to request it. Council Member Headen asked if one has to login to make payment, and Ms. Woody advised logging in is not required to use the a

one-time payment option. Council Member Admas asked to clarify how long it takes to begin service and Ms. Woody confirmed it takes forty-eight hours, but they are looking to move to a shorter turn on time. Ther was discussion on the donation option and which charities are currently listed. Deput City Manager Megan Mahan confirmed Grand Prairie United Charities helps people pay their water bills, and the board of directors decide how PlayGrand Adventures' funds are used.

PRESENTED

3. Calvary Church Campus & Downtown- Asbestos Remediation & Demolition Plan

City Manager William A. Hills briefly provided an update on current downtown redevelopment efforts. Ms. Mahan discussed asbestos remediation and demolition plans, noting there would be three phases pausing for Main Street Fest 2025 and the Texas County Reporter Fest in 2026. She reviewed relative agenda items twenty and twenty-four on tonight's agenda, the cost of asbestos remediation of each phase and renderings of downtown streets before and after development. There was discussion on not having a center median for allowance of parades, width of sidewalks and adding a walking trail. Managing Director Walter Shumac advised the bike lane is required by the Texas Department of Transportation (TxDOT). There was discussion on available street and parking garage parking spaces, location of the first round about, and keeping proposed landscaping and trees.

ITEMS FOR INDIVIDUAL CONSIDERATION

There were none.

PLANNING AND ZONING FOR INDIVIDUAL CONSIDERATION

31. STP-24-08-0035 - Site Plan - TownePlace Suites (City Council District 4). Site Plan for a four-story extended stay hotel on 2.363 acres. Lot 1, Block B, Prairie Waters - Southgate Development Addition, City of Grand Prairie, Tarrant County, Texas, zoned PD-352, located within the SH-360 Corridor Overlay District and addressed as 3659 Prairie Waters Dr (On April 14, 2025, the Planning and Zoning Commission recommended approval by a vote of 9-0)

Assistant Director of Planning Savannah Ware presented the Site Plan request for a four-story extended stay hotel with 113 proposed rooms. She reviewed the location map, landscape plan and building elevations. Ms. Ware advised there are no hotels within one mile of the subject property. If this hotel is constructed, there will be one Midscale/Upper-Midscale hotel. Currently there are no existing Extended-Stay Hotels. She reviewed Tier 1 Amenities, Tier 2 amenities, Appendix X checklist and requested variances - Maximum Height, Number of Trees and Pool Surface. Ms. Ware noted the Planning and Zoning Commission (P&Z) recommended approval and staff recommended approval with conditions: Any EIFS (Exterior Insulation and Finish System) finishes shall be replaced with 3-Step Stucco finishes in compliance with Appendix F requirements; all required trees shall be provided on-site, outside any utility easements; operations shall comply with Section 28-10 of the City Code of Ordinances.

Council Member Lopez asked to clarify the request for site plan, inquired about connecting the walking/jogging trail along the backside and noted the pool seems small. Ms. Ware confirmed a hotel is allowed there by right. There was discussion on pool sizes at other hotels being between 700-900 square feet. Planning Director Rashad Jackson confirmed the Staybridge is 700 square feet. and the Epic Hilton is 900 square feet. There was discussion on extended stay requirements and Unified Development Code (UDC) requirements regarding pool/water surface size.

City Attorney Maleshia McGinnis called for speaker/applicant Dev Surati, 3821 Laurens Place Rd, Denton, He advised he does not need a street tree variance. Council Member Lopez asked if he would increase the pool size to 1000 square feet, and Mr. Suza confirmed noting he would need to reduce other amenities like the planned pickle ball court or mini golf area. Mr. Suza said he was unaware of a walking trail but does not have an issue with making connection to the trail and requested a drawing. Ms. McGinnis advised Abdul Rahman Nuur, 2080 Hwy 360, recorded his support for this item.

Deputy Mayor Pro Tem Ezeonu asked staff to review the ordinance on pool size and consider amending. Council Member Lopez asked the applicant to ensure there is proper lighting along the trail on the hotel's side, and Mr. Suza agreed. There was discussion on the required masonry wall and the wrought iron fence already there. Council Member Lopez moved, seconded by Council Member Johnson, to approve this item with recommendations from staff and P&Z, and with the amendment that trees be allocated to the required number placed anywhere on property, and that the pool size be 1000 square feet, that the applicant construct a fence to match the adjacent property's fence already there, that the applicant connect a walking trail to the adjacent property's trail and that he work with staff to coordinate. The motion carried unanimously.

PUBLIC HEARING ZONING APPLICATIONS

32. SUP-25-02-0006 - Specific Use Permit - TruckSmart CDL Academy (City Council District 1). Specific Use Permit for a Vocational School (Auto)/Driving School at an office building on 3.05 acres. Lot 1, Block A, Carrier 360 Addition, City of Grand Prairie, Tarrant County, Texas, zoned Light Industrial (LI), within the SH 360 Corridor Overlay District, and addressed as 2080 N Hwy 360 (On April 14, 2025, the Planning and Zoning Commission recommended approval with conditions by a vote of 9-0)

Ms. Ware presented the requested Specific Use Permit (SUP) for a Vocational School (Auto)/Driving School. She discussed proposed operations: enrolling new students, explaining the process for obtaining a CDL, new student orientation, scheduling training sessions and testing days, and administrative/office functions. Ms. Ware noted the proposed operations are for in-classroom instruction only and the applicant currently leases a location in another city for truck/trailer storage and maneuvering exercise practice. She advised P&Z recommend approval with conditions: authorized operations shall be limited to in-classroom instruction and administrative functions; driving practice or maneuvering exercises in any vehicle are prohibited at this location; parking or storage of oversized commercial vehicles or semi-trailer trucks are prohibited at this location. Ms. Ware advised the Development Review Committee (DRC) recommended approval with conditions: authorized operations shall be limited to in-classroom instruction and administrative functions; driving practice or maneuvering exercises in oversized commercial vehicles or semitrailer trucks are prohibited at this location; parking or storage of oversized commercial vehicles or semi-trailer trucks are prohibited at this location.

Council Member Shotwell asked to clarify the floorplan and whether building inspections would review. Ms. Ware confirmed. Ms. McGinnis called for speaker/applicant Abdul Rahman, 2080 N Hwy 360. Mayor Pro Tem Clemson asked if the operation would be for classroom only and to confirm if Mr. Rahman is the instructor. Mr. Rahman confirmed. Mayor Pro Tem Clemson discussed issues with truck drivers and violations in the area and asked Mr. Rahman to focus on the restricted area during operation and so there would be no truck violations. Mr. Rahman confirmed. Mayor Pro Tem Clemson moved, seconded by Council Member Del Bosque, to close the public hearing and approve this item with conditions. The motion carried unanimously.

33. CPA-25-03-0005 - Comprehensive Plan Amendment - Prose Westcliff Multi-Family Ph 2 (City Council District 2). Comprehensive Plan Amendment to change the Future Land Use Map from Mixed Use to High Density Residential on 14.18 acres. Lots 11 & 12, Vickery Place Addition, and a portion of Tract 4, J.W.E. Wallace Survey, Abstract No. 1517, and a portion of Tract 12, Benjamin F. Smith Survey, Abstract No. 1337, City of Grand Prairie, Dallas County, zoned PD-18, within the IH-20 Corridor Overlay District, and addressed as 1101 & 1105 E Fish Creek Road, 3971 Westcliff Rd and 1199 E IH-20 (On March 24, 2025, the Planning and Zoning Commission recommended approval by a vote of 8-0)

Ms. Ware presented items thirty-three and thirty-four together. She reviewed the requested Comprehensive Plan Amendment to change the Future Land Use Map from Mixed Use to High Density Residential. She said the applicant requested an amendment to the existing Planned Development by adopting a Concept Plan for a multi-family development with 300 dwelling units and noted multi-family use is currently allowed by right. Ms. Ware reviewed the aerial map, proposed concept plan with 8 buildings and units with 1-3 bedrooms, gated entry and proposed amenities including a clubhouse, pool, pickleball court, and dog park. She advised it meets density and dimensional requirements, with no requested variances. Ms. Ware noted P&Z recommended approval but staff is unable to support the request because it is inconsistent with the FLUM. However, staff notes that multi-family use is currently allowed by right. Council Member Lopez asked to review the area of proposed entrance. Ms. Ware reviewed.

Harold Willis, 538 Lindly, spoke in opposition of this item. Council Member Lopez asked to include appropriate lighting for a school stop on the property. Council Member Headen noted this is phase two. David Dierkes, 6947 Abbey Ct, Dallas, spoke in support of this item. Council Member Headen confirmed her desire to see the enhanced landscaping and use of similar materials for Phase II as in Phase I, noting she would like to review rendering. There was discussion using a combination of stones and paint colors and continuing meandering sidewalks and enhanced landscaping. Council Member Headen asked if the properties had two different price points and Mr. Dierkes confirmed they are stand-alone properties, with some distinctions between the two and the price points are similar. She then asked to confirm their business model. Mr. Dierkes said they develop to sell, holding for five years. He confirmed Phase I was conventionally financed and they do not plan that for Phase II. Council Member Headen then moved, seconded by Council Member Del Bosque, to close the public hearing and approve items thirty-three and thirty-four. The motion carried unanimously.

35. VCC-25-04-0002 - Fence Exception - Hidden Creek Screening Fence (City Council District 1). Exception to Required Fences in the Unified Development Code (UDC) to allow a wooden fence with masonry columns instead of the required masonry screening wall along Duncan Perry Rd and Avenue H East. The west side of Duncan Perry Rd and the north side of Avenue H East along the Hidden Creek Subdivision, City of Grand Prairie, Tarrant County, Texas (On April 28, 2025, the Planning and Zoning Commission recommended approval with a condition by a vote of 9-0)

Ms. Ware presented the request for a fence exception to allow a wooden fence with masonry columns instead of the required masonry screening wall. She said the Hidden Creek Homeowners Association (HOA) is proposing to replace the existing masonry wall with a board-on-board cedar fence with a concrete mow strip and to utilize the existing stone columns. As part of their request, the HOA has proposed a maintenance plan for the replacement fence that includes biannual inspection for damage, annual cleaning, periodic clear sealing or staining, repairs as required, and replacement of the fence with a like or superior fence when the fence's conditions necessitate replacement. The HOA has indicated that the wall will need to be replaced within five years and estimates that the cost of replacing the wall with a concrete panel fencing would cost \$6,500 per home within the HOA. The HOA is requesting an exception to allow them to proceed with a financially feasible alternative. She noted approval of this exception will give the HOA the option to replace the existing wall with the proposed wooden fence. Ms. Ware reviewed renderings noting seventeen letters of support and four letters of opposition were received. She said P&Z approved with a condition: that for the first one to three years no sealing or staining shall be required. After that, sealing or staining shall occur every two years. Ms. Ware advised DRC recommended approval. Deputy Mayor Pro Tem Ezeonu asked to review the opposition map and. Ms. Ware reviewed. Council Member Shotwell asked to confirm wall height is six feet, and Ms. Ware confirmed. There was discussion on the use of stained Western Red Cedar. Council Member Johnson said he read Mr. Barron's comments regarding having a fence erected. He is in opposition, noting HOA fees increased to pay for a masonry wall but the HOA wants to construct a wood fence.

Brian Crowe, 2432 Kingsley Dr, spoke in support of this item. He advised he is on the board of the HOA and explained the wall was built with a construction defect and the developer refused to correct it. Mr. Crow said more than \$250,000 was spent to repair the wall. He noted there are seventy-five properties there and discussed the wall assessment and dedicated fees. Mr. Crowe said the entire wall in Phase I is crumbling and noted Mr. Barron has not been involved in the planning discussions nor monitoring email on how things can be done and not done. He

noted the wall is a safety factor and only 24% of homeowners live along the wall. Mr. Crowe said homeowners who do not live along the wall are not as interested in replacing. Mayor Jensen asked if it is HOA board's opinion that this will save money over time. Mr. Crowe confirmed. Council Member Johnson asked if there would be an increase in the rate, and Mr. Crowe confirmed the increase would be 10% and has considered asking for a bond but it would raise the fee to \$900 per property owner. Melvin Williams, 1504 Babbling Brook, spoke in opposition of this item, noting there is only one space between columns to be fixed and would like to see his remain. Mayor Pro Tem Clemson said Mr. Crow has done great leading the community in the past and noted this is a major concern and is dangerous. She supports the look of the board on board fence and thanked staff for working on this. Mayor Pro Tem Clemson moved, seconded by Council Member Adams, to close the public hearing and approve this item with conditions. The motion carried unanimously.
