| Mobile Communications of America | \$102,570          | \$102,570         |

### **PURPOSE OF REQUEST:**

Fire Station 11 will open this summer. All Grand Prairie fire stations have the USDD alerting system. Each station is directly linked to our main communications center. This purchase includes the product, installation, software, video screen access, and app licenses for each firefighter. The software and services for this purchase will be provided by the vendor as an expansion of the existing alerting system currently being used by all city fire stations.
