Additional Comments	This is crucial to approve. There is no feasible alternative that the community will financially support. This exception is similar to the Fairway Bend development fencing that is within view of a portion of the proposed fencing.

Additional Comments	<p>We need the fencing repaired for the Hidden Creek development immediately. The wood fence is the most economical and will improve the aesthetics of the fencing.</p> <p>The brick fencing right now is an embarrassment and must be fixed as soon as possible.</p>
