Dear Tonya,

This proposal is for the continuation of the maintenance contract in effect per agreement of your organization and Vista Com. This quote is for the new period beginning midnight on 9/1/2024. Failure to receive payment by the expiration date will result in an expired contract whereby you may be subjected to loss of coverage or coverage for time and materials per service event. Continuation of maintenance coverage after an expiration period may also result in an onsite re-inspection of the recording system at the customer expense.

Please contact Vista Com Service 30 days prior to contract expiration if you wish to alter the terms of the contract.
