### **SUMMARY:**

<u>Vendor Name</u>	<u>Annual Cost</u>	<u>Total Cost</u>
Siemens Inc.	\$196,975.00	\$196,975.00

### **PURPOSE OF REQUEST:**

One-time purchase from Siemens Inc. to upgrade the Public Safety Building Detention Center security cameras. The current cameras in the Detention Center are outdated and no longer meet the facility's evolving security needs. The currently operational cameras have reached the end of their lifecycle and can no longer provide the level of coverage and detail needed to ensure a secure environment. With advancements in technology, upgrading to high-definition and more integrated cameras is critical for ensuring the safety of both Police personnel and detainees. This enhancement in security infrastructure is a proactive measure to maintain the high safety standards of the Detention Center and ensure the well-being of all within the facility.

Chapter 271.102 of the Local Government Code authorizes local governments to participate in a cooperative purchasing program with another local government or local cooperative organization. In lieu of competitive bidding, items and services may be purchased through such agreements as the agreements have already been bid by the sponsoring entity or agency. The City of Grand Prairie has master inter-local cooperative agreements with various entities including Sourcewell contract 030421.
