**TITLE:** Annual Contract for Alternate Daily Cover (ADC) hydromulch materials from Space Savers (up to \$93,120.00) annually. This contract will be for one year with the option to renew for four additional one-year periods totaling \$456,600.00 if all extensions are exercised

### **SUMMARY:**

<i>Vendor Name</i>	<i>Annual Cost</i>	<i>Total Cost</i>
Space Savers	\$93,120.00	\$465,600.00

### **PURPOSE OF REQUEST:**

The use of ADC has been approved by the Texas Commission on Environmental Quality as a substitute for 6 inches of daily compacted cover soil on days when the landfill will be closed for more than 24 hours. Therefore, on non-holiday weeks from Monday through Friday, the City of Grand Prairie deploys a hydromulch-style product over the days' waste to provide for odor control and for vector deterrent. This saves the landfill extremely valuable airspace and the soil stockpile for more appropriate uses.

This price agreement will be used by the Landfill to cover the working face with approved ADC hydromulch materials; on an as-needed basis.

Two responses were received. One was deemed unresponsive and not meeting bid specifications.
