

CITY OF GRAND PRAIRIE COMMUNICATION

MEETING DATE: 08/19/2025

PRESENTER: Noreen Housewright, Director of Engineering/Utility Services

TITLE: Stormwater Utility's Flood Warning System and Severe Weather Protocol

REVIEWING COMMITTEE:

PURPOSE OF REQUEST:

This presentation to City Council shares how the City of Grand Prairie prepares for and responds to severe weather and flooding. It highlights the real-time tools and systems our teams use—like rain gauges, flood flashers, and emergency alerts—to keep residents safe and informed. You'll also hear about how different departments work together during storms, what happens after the water recedes, and the improvements we're planning to make our response even stronger moving forward.
