Motorola Solutions	\$346,311.80	\$346,311.80

PURPOSE OF REQUEST:

This contract is for the purchase of 40 Motorola APX6000 handheld radios, 19 Motorola APX8000XE handheld radios, and 1 Motorola APX6500 mobile radio for Police and Fire departments. This radio purchase is part of our replenishment program, which is necessary to replace radios nearing the end of their warranty. Replacing out of warranty radios is critical to Police and Fire operations while increasing services provided to our residents.

Motorola Solutions is licensed to work on the Radio Communications/Emergency Response Equipment and the economy of scale. To have another vendor implement a radio program would drastically increase costs outside of scope. The City will use the HGAC Cooperative Agreement with Motorola, HGAC Contract No. RA05-21, for this purchase. Staff collaborated with the vendor and secured the most competitive pricing available at the time.

Chapter 271.102 of the Local Government Code authorizes local governments to participate in a cooperative purchasing program with another local government or local cooperative organization. In lieu of competitive bidding, items and services may be purchased through such agreements as the agreements have already been bid by the sponsoring entity or agency. The City of Grand Prairie has master cooperative agreements with various entities, including NCPA, Sourcewell, TIPS, HGAC, BuyBoard and OMNIA Partners Cooperatives.
