

## **REQUEST FOR COUNCIL ACTION**

**AGENDA DATE:** December 16, 2024

**AGENDA ITEM:** Consider an agreement with Enterprise to sell GRPU vehicles

**PREPARED BY:** Tom Pagel, City Administrator

---

### **BACKGROUND:**

The GRPU utilizes the City's Enterprise Fleet Agreements to secure vehicles for operations. Because the GRPU has some existing non-lease vehicles, the titles are not in the city's name. In order for Enterprise to sell the vehicles for the GRPU, the attached agreement needs to be executed.

### **REQUESTED COUNCIL ACTION:**

Consider executing an agreement with Enterprise to allow them to sell GRPU vehicles.
