

Please join us for the ribbon cutting event at the new
ITASCA CLEAN ENERGY SOLAR PLUS BATTERY STORAGE facility
on May 3, 2022 at 10:00 AM

This event will take place on the project site at 2515 SE 7th Avenue, Grand Rapids, 55744.

Grand Rapids Public Utilities is excited to share this huge project with the community. The new facility includes a 2 Megawatt (MW) solar array paired with a 1 MW—2.5 hour lithium ion battery surrounded by pollinator-friendly vegetation.

The event will include an overview from the project team followed by tours and exhibits for the whole family to enjoy throughout the day!

Please use the QR code to RSVP and to see more details in the coming weeks on GRPU's Facebook event page.
