Dear Sir/Madam,

I am writing to you because my beloved uncle and long time Grand Rapids resident, Clayton Parker, has passed away. Several years ago I visited him and he took me to a wonderful city park that had the most majestic pine trees I've ever seen, and educated me on how to identify white and red pines. I contacted a Mr. Dale Anderson via E-mail and he informed me the park was Veterans Park along the Mississippi river. My wife Sheila and I would therefore like to make a donation to the preservation of that jewel in your fair city. Please accept this donation with heartfelt thanks for providing countless people the opportunity to experience that wonderful setting. Also, if you could, pass on my gratitude to Mr. Anderson for his prompt and sincere response to my E-Mail.

On behalf of my Uncle Clayt

and his immediate family, thank you.
This will make Clayt very happy.

Sincerely,
Marvin Snyder
